18718	BONELESS SIRLOIN

Case Sale Dating

All beef, pork, poultry, seafood, veal and lamb sold by the case should be labeled with a Mettler Toledo scale label.

Use the print inhibit function on the scale so no sell-by date is printed.

Do not cover the vendor *Pack Date* or *Use-by-Date* with the Mettler Toledo or Hobart scale label.

Revised 12/2/10
