

V400M Standalone Guide

Closing / Batching (Do not press <Settlement>)

From the idle menu (*Sale, Refund, Settlement, Void*) use the following steps to print a closing report:

- Press <Next> twice
- Press <Reports>
- Press <Detail by Clerk/Server>

Sale

- Press <Sale>
- Enter \$ Amount, <Enter>
- Enter Clerk # <Register #>, <Enter>

Note: When prompted for Clerk #, enter the register number. Clerk numbers 1-10 are preloaded in the device. Any new clerk numbers will prompt to be added when used for the first time.

Refund

- Press <Refund>
- Enter Password <1111>, <Enter>
- Enter \$ Amount, <Enter>
- Enter Clerk # <Register #>, <Enter>

Note: When prompted for Clerk #, enter the register number. Clerk numbers 1-10 are preloaded in the device. Any new clerk numbers will prompt to be added when used for the first time.

Manual Entry

- Press <Sale> or <Refund> (Password is required <1111>)
- Enter \$ Amount, <Enter>
- Enter Clerk #, <Register #>, <Enter>
- Press <Cancel> from "Insert, Swipe, Tap" screen
- Press <Yes> for Manual Entry
- Enter <Account #>, <OK>
- Press <Credit> or <EBT> (If EBT is selected, select Food or Cash, enter PIN)
- Enter Expiry, <MMYY>, <Enter>
- Enter Billing Zip Code, <Enter>
- Enter Billing Address (Numbers only), <Enter>

Note: EBT cards occasionally need to be refunded at increments of \$100.00 or less to process. In addition, Shop Cards can be manually entered using the key sequence above.

Shop Card Balance Inquiry

From the idle menu (“*Sale, Refund, Settlement, Void*”) use the following steps:

- Press **<Next>** twice
- Press **<Balance Inquiry>**
- Swipe Shop Card
- Balance will print on receipt

Repair Connection

- Press **<*>**
- Press **<Com Control>**
- Press **<Diagnostics>**
- Press **<Repair>**
- Press **<Mobile Data>**

Replacing V400m with Move5000

To order a replacement standalone email treasurycardservices@costco.com. Standalone terminal cost is approximately \$600 + s/h. There is an additional \$15/month wireless connectivity fee. There is a standard of two (2) standalones per location. Locations may order additional units, if necessary.

Recycling V400M Units

Retired V400M units should be sent to RTV to be processed as electronic recycling. RTV will begin the recycle/disposal process by completing [this request form](#). After completion you will receive an email of approval/denial including instructions to send to ERI (US) or eCycle (CN).

To remove the standalone from your Master PIN Pad Inventory List, email is-assetmanagement@costco.com and pinpads@costco.com.

The serial number, asset tag (if available), model and manufacture of the device must be included in your email and when completing the form.

Questions? Comments?

For additional information, please refer to the [Front End Manual](#).

For system questions, contact the [Service Desk](#) at (425) 313-8001.
